UNEMPLOYMENT SAVINGS

Tens of thousands of nonprofit employers nationwide are taking advantage of a federal law allowing 501c3 nonprofits to opt out of paying state unemployment taxes, instead allowing them to reimburse the state for their own unemployment expenses as they occur, dollar-for-dollar—often creating a savings of 60% or more and a financial asset for the employer.

HR SUPPORT

Maryland Nonprofit members receive UST HR Workplace for just \$75/month (regularly \$95/month) or free with UST Trust or Support membership. That's an annual savings of \$240 dollars for all the tools and resources you need to streamline your HR processes and engage your workforce.
