MISSION, STRATEGY, and EVALUATION			
A. Mission and Impact			
he statement of mission is clear	х		
he mission is defined and approved by the board	х		
The organization's activities are consistent with its mission	х		
The organization has a vision statement and it is clearly connected to the mission			х
see also B1 below)			
B. Planning Strategically			
The organization engages in long-term planning activities (strategic planning,			х
inancial forecasting, sustainability planning, etc.)			
The organization engages in short-term planning activities (annual planning, work			х
plans, implementation planning, etc.)			^
'he organization defines specific goals and objectives and these goals clearly			· · · · · · · · · · · · · · · · · · ·
upport the organization's mission			х
The organization evaluates the success of the organization's programs (success is			x
neasured by mission fulfillment)			
The organization's board and staff have reviewed the mission statement within the	1		х
ast 3 to 5 years			
he organization has identified critical strategic issues and trends in the		х	
community			
he organization has evaluated the need for its programs		х	
C. Organizational Evaluation			
The organization defines how it measures organizational effort (in terms of			х
inancial or human capital measures)			
he organization has clearly stated a percentage of the organization's effort			х
levoted to each program			
D. Program Evaluation			•
he organization has provided a description of the framework for how each	х		
program will be evaluated. The framework should include all the elements below:			
The evaluation methods are cost-effective for the organization	х		
Quantitative and qualitative data is being collected (at Basics tier, data	х		
collection must have begun)			
The evaluation methods include input from program participants as part of	х		
the evaluation			
The evaluation methods measure the satisfaction of program participants		х	
The evaluation methods measure outcomes related to efficiency and	х		
organizational effort			
The evaluation methods measure outcomes related to effectiveness and	х		
outcomes for program participants. (These outcomes should be related to the			
organization's mission and strategic goals)			
40% of programs (as defined by organizational effort) are being evaluated in		х	
the manner described			
100% of programs are being evaluated in the manner described			х
The evaluation methods encourage candid input from board, staff, and program	х		^
participants	_ ^		
nformation gained through program evaluations is used by the board and staff in	X	+	
organizational decision-making	^		
E. Strategic Partnerships		<u> </u>	
			Х
The organization partners with other organizations to help meet its mission The organization has a procedure for determining who to partner with on what			
ne organization has a procedure for determining who to partner with on what programs or issues			Х
The organization completes due diligence on potential partners			х
	1	ı	1 ^
Where the partnership would require it, the organization has in place a contract,			х

LEADERSHIP: BOARD, STAFF, and VOLUNTEERS		1	
A. Leadership and Governance			
(1) Governance and Fiduciary Responsibility			
The responsibility for recording board minutes is designated to a specific person	х		
Board minutes demonstrate that the board understands its duties of care, loyalty, and obedience	х		
Accurate and clear minutes reflecting board and committee actions are kept	х		
Board and committee minutes are distributed to all board members	х		
Committees who have been given decision-making authority report any committee actions to the full board	х		
When presented to the board, these committee actions are reflected in the board minutes	х		
The full board meets at least four times a year	х		
Board agendas are strategically structured around decision-making		х	
Board meetings are efficient, effective, and engaging		х	
Board and committee minutes are stored in a secure location and are backed up a needed	s x		
The board has established bylaws and other organizational governing documents	х		
The board periodically reviews the bylaws and policies (demonstrated by the	х		
minutes, board agendas, board calendar, etc.)			
(2) Executive Supervision, Performance, and Compensation			
The board has reviewed and approved the executive's compensation	Х		
The board has reviewed the executive's performance		Х	
The board helps the executive plan for improvement on areas of growth identified	1	х	
in the evaluation  The board has granted the executive authority to enforce management policies		х	
The executive has a written job description			х
The board works in partnership with the executive to accomplish the organization's goals		х	
(3) Board Effectiveness			
The board takes responsibility for the operations of the board (demonstrated across the other benchmarks)	х		
The board has evaluated its performance at least once in the past two years			х
The board plans for improvement on areas of growth identified in the evaluation			х
Board members have a written job description or expectations	х		
Board members regularly attend meetings	х		
Board members participate in board and organization activities as outlined in written board expectations	х		
Board members participate in board committees if required	х		
All committees have a stated purpose	1		х
The board has a strategy for recruiting and selecting new board members			Х
The board recruitment strategies address how the board will ensure that board members have an appropriate mix of talent, connections to the community, and			X
diversity inclusive of the community served  The organization's bylaws outline a limit on the number of consecutive terms a	х		
board member may serve The board appropriately orients new board members			
The obard appropriately orients new board members  The orientation includes an introduction to the Standards for Excellence code and any other code of ethics, values, etc.	t l	X X	
The board provides educational opportunities and leadership development for board members	r	х	
When necessary, the board takes action to remove board members who do no comply with board policies	t x		

Benchmark Measurement	Standards Basic Recognition	Standards Basics Enhanced Recognition	Accreditation
(4) Succession Planning and Leadership Development			
The board plays a role in planning for the succession and transition of the executive	х		
The board has plan for board leadership succession and board member transitions			х
The board has planned for the succession and transition of the executive			х
If a new executive has been appointed or hired in the last five years, the board			х
followed its succession plan			
All employees and volunteers have a position description which outlines their work	Х		
and responsibilities			
The executive has planned for the transition of key staff and volunteer leaders			х
(5) Board Member Independence			
Board members do not receive compensation, accept allowable reimbursement of	Х		
expenses			
There are at least five independent and unrelated directors	х		
Employees do not have a vote on the board of directors	Х		
If employees have a vote on the board, they are not in a position to exercise undue			
influence	х		
(6) Board Meetings			
Note: Board meetings are covered above in Governance and Fiduciary			
Responsibility	x		
Note: Board agendas are covered above in Governance and Fiduciary			
Responsibility		x	
Note: Minutes are covered above in Governance and Fiduciary Responsibility	х	^	
Note: Committee minutes are covered above in Governance and Fiduciary	Α		
Responsibility	х		
B. Leadership and Operational Management	Α		
(1) Executive Functions			
The executive has established management policies as needed to provide for the			
proper functioning of the organization	x		
The executive assesses her own performance as part of the board's evaluation of	^		
his/her performance		x	
(2) Supporting the Board		^	
The executive provides accurate and timely program and financial information and resources to the board		v	
The organization has a procedure for setting and reviewing compensation for its		X	+
employees This procedure includes come comparative element (vertically within the			X
This procedure includes some comparative element (vertically within the			
organization, horizontally within the industry, or generally in relation to the			
economy)			X
The board has reviewed the compensation structure for the organization			Х
The organization has articulated what contributions volunteers make to the			
organization			Х
The organization utilizes this volunteer information in evaluations of organizational			
effort and program efficiency or in grant writing or reporting			Х
(3) Organizational and Financial Sustainability			
he organization has a sustainability plan or has considered organization			
ustainability in the organization's other planning activities			Х

Benchmark Measurement	Standards Basic Recognition	Standards Basics Enhanced Recognition	Accreditation
(4) Managing Employees and Volunteers			
(Note: these are required for staff at Basics tier and for volunteers at Basics			
Enhanced).			
All staff and volunteers receive an orientation to their position and to the			
organization	х		
This orientation includes an introduction to the Standards for excellence and any			
other code of ethics or values statements	x		
The executive ensures that all employees and volunteers are regularly evaluated.	х		
All employees receive a written evaluation at least annually.	х		
The employee and volunteer policies outline the following requirements:	х		
Recruitment and hiring	х		
Screening of potential employees and volunteers (if applicable, background			
checks should be employed for employees and volunteers working with			
children and youth)	х		
Orientation and position-specific training	х		
Supervision and regular evaluation	Х		
Recognition	х		
Working conditions	х		
Telecommuting (if applicable)	Х		
Employee benefits including vacation and sick leave, insurance, etc.			
(applicable only to paid employees)	х		
Grievance procedures	Х		
Whistleblower policy	Х		
Confidentiality of employee, client and organization records and information	х		
Employee and volunteer professional development	X		
C. Diversity, Equity and Inclusion	~		
The organization has a clear picture of the community they serve based on mission and stakeholders of the organization.		х	
The organization effectively and intentionally creates a culture that demonstrates practices of diversity, equity and inclusion for program participants, board, staff and volunteers.		х	
The organization has an assessment tool to assess the organization's diversity, equity and inclusion in terms of policy, environment, programs, staff and board.		х	
The organization has a board approved diversity, equity and inclusion plan for the organization based on their assessments.			х

enchmark Measurement	Standards Basic	Standards Basics	Accreditation

		Recognition	
LEGAL COMPLIANCE and ETHICS			
A. Maintaining Legal Compliance	1		
The organization's 990 is filed on a timely basis and contains accurate information			
about the organization's operations (including UBIT, valuing in-kind gifts, lobbying,			
governance and management, related entities and related transactions)	×		
The organization is registered as required with all applicable federal, state, and	^		
local authorities	x		
As appropriate, the organization holds all licenses it needs to perform its programs			
and services	x		
The organization has a policy outlining document destruction and retention			
(includes a policy and a schedule)	x		
If required, the organization's facilities are ADA compliant	х		
The organization's employee policies cover all legally required elements	х		
The organization maintains a regular schedule of internal compliance reviews	х		
The board of directors is aware of the results of the regular internal compliance			
review	х		
B. Required Public Disclosures			
The organization complies with all federal and state disclosure laws	х		
The organization has designated a representative who is responsible for ensuring			
that the organization is complying with federal and state disclosure laws			
		Х	
The organization includes all state required disclosures on fundraising, solicitations, and receipt materials			
The organization makes its form 1023, form 990, and IRS determination letter	Х		
available upon request	x		
C. Reporting Misconduct and Whistleblower Protection	٨		
The organization has a whistleblower policy in place	х		
The organization's board, staff, and volunteers are all made aware of the			
whistleblower policy	x		
D. Conflicts of Interest			
The policy identifies the types of conduct or transactions that raise conflict of			
interest concerns	x		
The policy sets forth procedures for disclosure of actual or potential conflicts	х		
The policy provides for review of individual transactions by the uninvolved			
members of the board of directors	х		
The disclosure statement provides a space for the board member, employee or			
volunteer to disclose any known interests that the individual, or a member of the			
individual's immediate family, has in any business entity which transacts business			
with the organization	х		
The disclosure statement is signed upon appointment or hire and annually			
thereafter by all board, staff, and volunteers with significant independent decision	-		
making authority	x		1

RESOURCE DEVELOPMENT			
A. Resource Plan			_
The organization has a board-approved resource development plan in place that			
outlines a framework for ensuring the organization's financial resources			х
The plan is regularly reviewed for alignment with the organization's budget			х
The plan includes diversified sources of income			х
A process is in place for evaluating the cost-effectiveness of all resource			
development activities			х
The organization's fundraising ratio is less than 3:1 (it costs \$1 or less to raise \$3 or			
more)			Х
3. Sources of Income			
The organization evaluates its sources of income for impact on the community and			
he organization, overall mission alignment, feasibility, and associated risk. (These			
may include individual contributions, foundation and corporate grants,			
government grants and contracts, fee for service, social enterprise, cause			
marketing, investments, etc.)			Х
C. Fundraising Activities			
Solicitation and promotional materials are accurate and truthful and correctly			
dentify the organization, its mission, and the intended use of the solicited funds			
	Х		
All solicitations and gift receipts contain the required IRS and state disclosures	Х		
All statements made by the nonprofit in its fundraising appeals about the use of a			
contribution are honored	Х		
Solicitations are free from undue influence or excessive pressure	Х		
Solicitations are respectful of the needs and interests of the donor or potential			
donor	Х		
D. Donor Relationships and Privacy			
The organization's board approved fundraising polices should address:	X		
The donor's right to determine how their personal information is used	Х		
The donor's right to remain anonymous	Х		
The donor's right to request that the organization curtail repeated mailings or			
telephone solicitations from in-house lists	Х		
The donor's right to have their name removed from any mailing lists,			
particularly those which are sold, rented, or exchanged	Х		
The organization honors the known intentions of a donor regarding the use of			
donated funds	Х		
E. Acceptance of Gifts			.,
The organization's board approved fundraising polices should address:			Х
The acceptance and disposition of charitable or in-kind gifts that are received			.,
in the course of its regular fundraising activities			Х
Procedures to determine any limits on individuals or entities from which the			.,
organization will accept a gift  The type of property which will be accepted.			X
The type of property which will be accepted  Whether to accept an unusual or unanticipated gift in light of the			X
Whether to accept an unusual or unanticipated gift in light of the			
organization's mission and organizational capacity			Х
Fundraising On Behalf of the Organization			
nternal and external resource development personnel are not compensated	.,		
pased on a percentage of the amount raised or other commission formula	Х	+	
All paid professional fundraising consultants are properly registered with the			
appropriate state authorities	Х		
Staff, board members, volunteers, consultants, contractors, or other organizations			
or businesses fundraising on behalf of the organization are provided appropriate direction and oversight			
		i	X

Benchmark Measurement	Standards Basic Recognition	Standards Basics Enhanced	Accreditation
		PUBLIC AWARENESS, ENGAGEMENT AND ADVOCACY	
A. Educating and Engaging the Public			
The organization publishes an annual report or makes readily available at its			
website the following information:		x	
Mission		Х	
Program activities		х	
Board members		х	
Key management staff		х	
Summary Statement of Financial Position		x	
Summary Statement of Financial Activities		Х	
The organization's contact information and key staff members are easily accessible			
through means which are readily available to the public		X	
The organization has a procedure in place for verifying the accuracy and sufficiency			
of information that is distributed to the public			х
B. Advancing the Mission Through Public Policy and Advocacy			
The organization has a board-approved advocacy policy which outlines the process			
by which the organization determines positions on specific issues relevant to their			
constituents			х
The organization can articulate it's advocacy goals and activities	Х		
The organization is aware of critical policy issues that have the potential to impact			
their community			Х
The organization has developed partnerships around critical policy issues			Х
C. Engaging in Lobbying and Political Activity			
All of the organization's activities are non-partisan	х		
The organization transparently reports its lobbying activities	х		
If required, all internal or external lobbyists are registered with the appropriate			
federal, state, or local authorities	x
